

1st ESE Hypoparathyroidism Patient Forum

26 March 2022, 9.00 – 13.00 CET, online

Are you a hypopara patient?

Join us for the first patient forum organised by the European Society of Endocrinology, to attend talks by clinical experts and hypopara patients.

For further information, please visit our [website](#).

Simultaneous translations from English into French, Spanish and Italian will be available.

This event is kindly supported by a restricted grant from Takeda.
